

Kaua`i CERT Communications (CERTCOM)

We want **YOU** to join us as Amateur Radio (aka Ham Radio) operators! [Why Ham radio?](#) [When all else fails, ham radio works!](#) Communications can not only save someone else's life, it can also save yours.

Amateur Radio license study recommendations (follow the links!):

1. <https://www.hamtestonline.com/>
 - Cost: \$24.95, subscription good for two years!
 - Online course, self-paced
 - "Smart" browser-based tool – teaches you the information so you learn it
 - Time required – 10 study hours for your Technician (entry level) license exam.
 - Pass the exam or 100% refund!
2. <https://hamstudy.org/>
 - Cost: Free!
 - Can access via computer or smartphone
 - Study flashcards or read questions
3. <https://www.gordonwestradioschool.com/>
 - Cost: \$21.95 for book; \$29.95 for audio study course
 - Complete study guide with answer explanations.
 - Organized into logical study topic order with highlighted key words, hints, and resource links
4. <https://arrlexamreview.appspot.com/>
 - Buy the ARRL Ham Radio License Manual, read and learn at your own pace.
 - Cost: ARRL: \$29.95 / Amazon paperback: \$24.23 / Amazon Kindle \$19.95
5. <https://www.kauaiamateurradioclub.org>
 - More links from the Kauai Amateur Radio Club
 - Further options for iPhone / iPad / Android devices

Note: Your Kaua`i CERT Communications Team (CERTCOM) recommends #1 over anything else, but we realize that everyone learns differently and what works for one person may not work for you. Commit yourself to the task and get your license!

YOU CAN DO IT!!

The next FCC License Exam is

Saturday, June 23, 2018; 0930 at the KIUC Conference Room

Visit <https://www.kauaiamateurradioclub.org> for details and to register.
